

Kenai River Sportfishing Association Classic Event Sponsorship Form

Senator Ted Stevens loved Alaska and fishing for king salmon on the mighty Kenai River. As he understood that fishery conservation and angler advocacy takes funding, he was a lead champion for the creation of a fundraising event to support this cause. Since that first Kenai River Classic in 1993, we have strived to keep his dream alive, and continue to work tirelessly towards the health of our rivers, fisheries and those who depend upon them. Our mission is and always will be to ensure the sustainability of our salmon and fisheries for future generations. Come show your support and help continue Senator Stevens legacy.

Ten years ago, we created the Kenai River Women's Classic. This event is a one of a kind opportunity for women to gather on the Kenai River, learn about Alaska's fisheries and what we do to protect them; but it also offers an amazing chance to network with likeminded individuals, create your own network of business associates who have a wealth of knowledge that will benefit them in their office environment.

The Junior Classic sponsorship funds a full day event for over 80 children each year. They learn all about Alaska fishing and safety, including proper fit of a life jacket. They spend the morning engaged in various activities have lunch and then go fishing. These kids come from JBER, other military facilities, Anchorage, Mat-Su, and the local Boys Scouts and Girls Scouts. These funds also cover other children's programs like Hooked On Fishing, Kenai River Spring Cleanup and SAFE Kids Splash into Summer.
