

Seeking qualified candidates to fill the role of executive director

Organization: Kenai River Sportfishing Association (KRSA)

Title: Executive director

Position type: Salaried

Position location: Soldotna, Alaska

Reports to: Board of Directors

Functions supervised: KRSA fundraising, public relations, operations and staff

Duties and responsibilities:

- Responsible for timely execution and achievement of KRSA's strategic business plan and achievement of KRSA's mission
- Ensure the efficiency, effectiveness and control of all KRSA operations and events
- Ensure the compliance with laws, rules, regulations and KRSA policies and procedures
- Keep abreast of related industry trends and issues to ensure the effectiveness of the organization in fulfilling its mission
- Assist the Board in the development of goals, strategies, organization and operating plans
- Serve on and actively participate with Board committees
- Represent KRSA in the Alaska south-central community, at state-wide community events and in professional associations
- Work with the Board on fundraising and maintain positive relationships with sponsors, donors and event participants
- Serve as official spokesperson for the organization
- Perform other duties as assigned

Education: Bachelor's degree

Creditable Experience in Lieu of Education: Six years of successful experience in a similar position

Experience/Skills:

- Must have experience in the not-for-profit business model, preferably in a similar executive management position with a comprehensive knowledge of the community and fundraising.

-
- Must possess excellent leadership, personnel and project management, analytical, verbal, written and interpersonal communication skills.
 - Ability to work autonomously and efficiently under multiple deadlines in a fast-paced, non-profit team environment with a strong Board.
 - Must be resourceful, with a high degree of initiative.

Salary: DOE

Please email a cover letter and resume to: chairman@krsa.com

About KRSA:

KRSA is a nonpartisan, nonprofit fishery-conservation organization of Alaskans that works to ensure the long-term health and sustainability of fish resources in the Kenai River and elsewhere in Alaska, through education and advocacy of sport and personal-use fisheries and the promotion of science-based fish management.
