

Join Us

in celebrating one of Alaska's most iconic events
on the greatest sportfishing river in the world- the

Kenai River

The Classic raises funds to support Kenai River Sportfishing Association's work and educational programs to help ensure the sustainability of Alaska's fish resources, both now and for future generations.

During the event you will have the opportunity to catch beautiful Kenai River silver salmon, hear from industry experts, and network with leaders from around the state, members of Congress, the Alaska Legislature, and state officials.
